HISTORY AND POLITICAL EDUCATION

SENIOR ONE

2 HOURS

INSTRUCTIONS TO LEARNERS:

- Respond to **all** items.
- All items carry **equal** scores.

CASESTUDY/SCENARIO:

1. Culture, culture, culture. In east African countries, the handicrafts industry is still very promising. In almost every religion you will find specific handicrafts, items with specific handicrafts, items with specific designs and patterns. These have proved to be very popular especially among the entrants which mean that the industry has good potential for selling out her products. This same culture is seen among the different societies in Uganda like the Baganda , basoga, bagishu,bahima, Acholi, Karamojong to mention but a few.

- a) Identify 5 handicraft items made in your society. (05 scores)
- b) With the knowledge acquired about culture, identify the benefits of handicrafts to the people in your culture. (10 scores)
- c) Explain the challenges the handicrafts industry has faced in promotion of culture in your society. (05 scores)

CASESTUDY/SCENARIO:

2. Mr. Cavendish mark is an American from England, he loves touring African countries especially during his vacation that is always scheduled in the month of December every year. He has been changed to visit Uganda this year. You have been chosen as the tour guide to Mr. .Cavendish at the fee of 50000dollars which we all know you cannot afford to turn down.

- a) As the tour guide, write an essay which you will present to Mr. Cavendish explaining 2 historical sites in Uganda and how they can benefit people in your country. (20 scores).

CASESTUDY/SCENARIO:

3. Before the coming of foreign religions, Africans believed in ancient religions in which they believed in a supreme being in collusion with the existence of many other lower gods and their spirits. However in 1840s, missionary work had already commenced with the coming of a number of personalities like John Speke, Jacob Erhardt, Dr. Albert Cook to mention but a few. Changes are seen in East Africa today which you understood in class. This practically makes you a historian ready to educate the younger generation.

a) As a Christian, with relevant examples, what forced the missionaries to come to your country? (15 scores)

b) Draw a table showing missionary groups and their origin? (05 scores)

CASESTUDY/SCENARIO:

4. In the pre-colonial period East Africa had two types of societal organizations that is the states and the stateless societies which existed in all over East Africa, some of such states include the Baganda, Basoga, Karagwe, Batooro among others which you understood in class by the teacher, some of them had well organized structures politically, socially and economically. Some of these states had similarities while others had differences.

a) With the knowledge acquired from state formation. List 2 states or kingdoms and 2 stateless societies that you know? (04 scores)

b) Draw a table showing the differences between the Basoga kingdom and Buganda kingdom. (06 scores)

c) According to your own understanding, explain the political social and economic organization of Karagwe Kingdom. (10 scores)
